## Junior Corporate Dealer

### Your Assignment

A new opportunity has arisen within our Treasury Department - Front Office Desk. As Junior Corporate Dealer you will close money transfers and foreign exchanges. You negotiate the price of straight loans, deposits and foreign exchange (spot and plain vanilla forward) and you will cover these transactions on the financial markets. Furthermore you will also prospect among our clients regarding the sale of more advanced and structured financial products. This will be in close collaboration with the dealing room of our shareholder KBC and our account managers. Moreover you will have to acquire perception in the financial needs of the clients and offer them the most suitable product. This product can be a simple transaction or a complex tailor-made financial derivative. You act as a link between on the one hand the dealing room of KBC, which will be responsible for the price-fixing and on the other hand the client.

This requires that you acquire a solid perception in the balance of the company and that you have a superior knowledge of the financial products which are traded within the dealing room.
